Ah
My bad, you like Yupina, don't you?
The one I read was by someone named Dolce.
Dolce's novel?
Yesterday, Hisame took my uniform you see.
That book was lying there when I went in his room so I gave it a quick read.
How should I put this... There's a lot of romance.
Blush...
I got kinda embarrassed reading it...

SHOCKED
Ha ha
Well, I doubt you'll be able to write about love even if you do become a novelist.
DASH
SEE YA!!
I'LL CALL YOU AGAIN!!
Eh?
She ran away again...
.....
Ah... I'll be going home for today...
Thump...
I guess... You're right...
Thump...

...Yawn...
We're actually in the middle of planning something special for the Last Battle!!
Kyaa!! I can't wait!!
Dang..
It's cause I studied till morning again...
But to get dad to approve of her and I,
There's no choice but to improve my grades.

My chest hurts...
Clench
Love... Cellphone novels... To think that he's not good with them...
DASH
Huff~ Huff...
What should I do?
I want him to understand... But more importantly...
Welcome back Onee-san!!

WHA!? HISAME!? WHY ARE YOU IN FRONT OF MY HOUSE-
Onii-chan went out, so I had a hunch you two were meeting up!
So? Judging by your looks,
Did he really reject your novel?
IT'S NONE OF YOUR BUSI-NESS!!
Nope, it's not.
You're just my precious hostage after all...
Ugh...
Anyways, I went and bought this.

Instruction 3!
Let's read your novel together~
!?
Hmm, So this is the country sealed by ice, Icecaria.
WHAT!?
WHY...
H-hey, in the middle of the street...?
"The aurora is beautiful yet again," Princess Lilia traces the sky with her eyes.
Wait... Sto-
"LILIA-SAMA!"
STOP IT!!! GET IN MY HOUSE!!

PANT
PANT
Even I couldn't stand it when you read that out loud right in the middle of the road...
Flop
AH! HEY!
Taking a closer look...
It really is different from a normal novel.
GEH...

第五章
1・摂氏0℃の涙
2・ヴァンパイアの掟
3・スロウ・ラヴァー
第六章
1・氷のココロ
2・戦いのさなか
3・平和調停・・・
第七章
1・君の隣で眠る
2・憂憎と裏切り
We've got short chapters and a script like structure.
Most of the format,
No?
It's not that much different.
It's jam packed with cheesy love.
GRITS
ALL TEETH
DON'T RIDICULE CELLPHONE NOVELS!!
WHAT WOULD SOMEONE LIKE YOU WHO JUST STARTED READING UNDER-STAND!?
This is wrong...

I was referring to the good points of cell -phone novels.
This is... Just because my novel was rejected by Shigure...
What are you talking about...? Onee-san.
Huh?

I get sleepy when I read normal novels anyway.
Over here, the story progresses with every word exchanged, the tempo's great.
It's easier for people who don't read novels too.
.....
Ah...
Rather than plain old, stiff novels,
I like these much better.
Sweats

Why... Why are the words I wanted to hear from Shigure...
...Why are they coming out of your mouth... Idiot...
Onee -san..?

Sob
Sob
It's bad because I wrote a love story..?
Are things I write embarrassing?
The words I wanted to hear Shigure say... Things like I like cellphone novels too...
Shigure...
GRABS
Bump...

You hold pride in the stories you write, Onee -san.

You have lots more readers, right?
Even if you're rejected by a single person,

T-That's...

How helpless you are...

It's the same as love,
You can't stop these feelings, right?
The same as love ..?

Ah! Is this Yupina-sensei? The next round of the Novel Battle is the last, isn't it!?
So we have another plan to heat things up even more!
I see...

In other words! A Yupina VS Dolce special interview will be broadcasted live on TV!!
TV?
The following was a sug-gestion from Dolce-sensei,
You two will talk about your passionate feelings for your novels and we'll broadcast that...
NO! NO WAY! I CAN'T SAY THAT IN FRONT OF SO MANY PEOPLE!!!
SHI-GURE WOULD FIND OUT RIGHT AWAY!!
but if you say you can't do it then...

りハラハラしたりしています。(長崎県　中1　プリン)

After you confessed to me,
I got dumped by Yukina-chan.
Eh...
I realized after I was rejected that Yukina-chan was the only thing in my world.
She was the heart of my world and...
That just doesn't work out anymore so...

I thought that I've got to start making my own world now,
And this is the first step.
I was scouted only because you gave me an image change,
I wanted to tell you the news first too.
And you also supported me...

So this is the publisher's office...

Ah!
Sigh... It'd be bad if I was found, what am I even doing here...

I can't wait to see more of this!
There's still many more!
Eh? Hand written!? Even though they never emailed me!?
It might be because they read the book before the cellphone version!
I'm so glad I came!
Alright! Let's go to the meeting room!

Dolce?
Yes, he wanted to grasp the feel of what you two will eventually talk about!
Dolce -sensei is already here!
Dolce... We've battled over online novels but meeting in person is...
Over here
i've always imagined her as an obnoxious woman who wears ultra frilly dresses...
Macarons make up most of my diet.
I must face her prepared!!
